

CERTIFICATION FOR MARCH 23RD, 2021 BOARD MEETING
ORLEANS PARISH COMMUNICATION DISTRICT

In accordance with La. Acts 2020, No. 302 and Executive Proclamations JBE 2020-158 and JBE 2020-159, this notice shall serve as a certification of the Orleans Parish Communication District ("OPCD's) inability to otherwise operate in accordance with the Louisiana Open Meetings Law as a result of the COVID-19 public health emergency. The OPCD will provide for attendance and quorum at its essential government meeting on March 23rd, 2021, via video conference. Pursuant to La. Acts 2020, No. 302, the Council must meet because:

1. Governor John Bel Edwards has continued the state of emergency due to a public health emergency covering the geographic area served by the OPCD and, due to the large size of the OPCD's Board needed to make a quorum, such a gathering would be detrimental to the health, safety, or welfare of the public.

2. Matters that, if they are delayed, will cause curtailment of vital public services or severe economic dislocation and hardship. Because the OPCD provides essential communication services during both during emergencies and not, its continued function during this pandemic is essential and, failing timely meeting, would result in the curtailment of vital public services or severe economic dislocation and hardship.

Considering the foregoing, and in accordance with La. Acts 2020, No. 302 and Executive Proclamations JBE 2020-158 and JBE 2020-159, the OPCD's Board meeting on Tuesday, March 23rd, 2021, at 10:00 A.M. will be held via video conference and in a manner that allows for observation and input by members of the public, as set forth in the Notice posted on March 18th, 2021.
